TOP TWO CANDIDATES OPEN PRIMARY ACT AND VOTER-NOMINATED OFFICES

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices. Only the two candidates receiving the most votes—regardless of party preference—move on to the general election regardless of vote totals.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election.

Additionally, there is no independent nomination process for a general election. California's new open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Party-Nominated/Partisan Offices

Under the California Constitution, political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A candidate so nominated will then represent that party as its official candidate for the office in question at the ensuing general election and the ballot will reflect an official designation to that effect. The top vote-getter for each party at the primary election is entitled to participate in the general election. Parties may elect officers of official party committees at a partisan primary.

Voters who registered to vote without stating a political party preference are known as No Party Preference (NPP) voters. For presidential primary elections: NPP voters will receive a “non-partisan” ballot that does not include presidential candidates. However, a political party may authorize a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Under the California constitution, political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the following general election. A candidate for nomination or election to a voter-nominated office shall have his or her party preference, or lack of party preference, reflected on the primary and general election ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not constitute or imply an endorsement of the candidate by the party designated, or affiliation between the party and candidate, and no candidate nominated by the qualified voters for any voter-nominated office shall be deemed to be the officially nominated candidate of any political party. The parties may list the candidates for voter-nominated offices who have received the official endorsement of the party in the sample ballot.

All voters may vote for any candidate for a voter-nominated office, provided they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election advance to the general election for the voter-nominated office, even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation participate in the general election unless such candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Under the California Constitution, political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate nominated for a nonpartisan office at the primary election is not the official nominee of any party for the office in question at the ensuing general election. A candidate for nomination or election to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the primary and general election ballot. The top two vote-getters at the primary election advance to the general election for the nonpartisan office.

NAME TO APPEAR ON BALLOT

The ballot name may be designated as follows:

1. Candidate's legal name
2. First, middle, and last name
3. Initials only and last name
4. A short version of the candidate's legal name such as Bill for William, Dick for Richard, or Kathy for Kathleen.
5. A candidate may have his or her legal name appear with a nickname by which the candidate is commonly known. A nickname must be in quotation marks.

Note: Candidates using a nickname in place of their legal name, or a name order not listed above, should provide documentation showing common or community use of proposed name.

Within one year of any election, a change in legal name shall not appear upon the ballot unless the change was made by Marriage or by Decree of court.

EC §13104

No titles or degrees are allowed in the ballot name.

EC §13106

PLACEMENT OF NAMES ON BALLOT

The order in which candidates' name shall be placed on the ballot is specified in California Elections Code §§13111 and 13112. Election Code §13109 specifies the order of precedence of offices on the ballot.

Random Alphabet Drawing

At 11:00 a.m. on the 82nd day before the election, the Secretary of State's office pulls each letter of the alphabet at random according to the procedure specified in Elections Code §13112 and compiles a randomized alphabet. The County Clerk/Registrar of Voters conducts a random alphabet drawing (Elections Code §13111) to determine the order of candidates on the ballot for multi-county state legislative districts. The randomized alphabet is used in the same manner as the conventional alphabet in determining the order of all candidates' names in all elections. It is used statewide for the placement of names on the ballot, except as otherwise specified.

ROTATION OF NAMES ON THE BALLOT

- **Candidates for Statewide Offices:** Candidates for offices voted on throughout the state are placed on the ballot in the random order in the First State Assembly District. In the next district the candidates listed first move to the bottom of the list and all other candidates move up one position. This rotation continues through all 80 State Assembly Districts.
- **Candidates for Congress:** Candidates are placed on the ballot in the random order in the lowest numbered State Assembly District within the Congressional District. The candidate's names are rotated in the same way as described above but only by the State Assembly Districts within the Congressional or State Board of Equalization District.
- **Candidates for Countywide Offices:** Candidates for countywide offices are placed on the ballot in random order and rotated by Supervisorial Districts within the county.
- **Candidates for State Senate and Member of the Assembly in Districts that cross county lines:** Candidates are placed on the ballot in a random order drawn by the County Clerk/Registrar of Voters within each County.
- **Candidates for other offices:** Candidates are placed on the ballot in the Secretary of State's random order and are not rotated.

BALLOT DESIGNATIONS

California law provides that candidates for political office can choose to list a ballot designation under their name that tells voters something about themselves. This is often a current elected office title or description of the candidate's principal profession, vocation, or occupation. Candidates are not required to use a ballot designation and may opt to leave the space for a designation blank on the ballot.

The candidate will be given the opportunity to indicate a ballot designation on the Declaration of Candidacy or Nomination Papers. However, a candidate is not permitted to use a ballot designation until after they complete a Ballot Designation Worksheet. See the Ballot Designation Worksheet, Exhibit A at the end of this guide. The entire Ballot Designation Worksheet **must be completed**, or it will **not** be accepted, and the candidate will not be permitted to use a ballot designation. The candidate shall have the burden of establishing that the proposed ballot designation, and alternate ballot designation(s) (if provided) are accurate. Once the Ballot Designation Worksheet is filed, the Elections Official will verify that the chosen ballot designation complies with all provisions of Elections Code §13107 and CCR §20710. A candidate may be asked to submit additional supporting documentation or other evidence to support the proposed ballot designation. **The Ballot Designation Worksheet shall be filed with the Elections Official at the same time the candidate files his/her Declaration of Candidacy.** The worksheet and all supporting documents will become public record once filed.

E.C. §13107.3, C.C.R. §20711

If Ballot Designation is Not Accepted

If the Elections Official has determined the ballot designation is unacceptable, the Elections Official will notify the candidate by phone, and registered, or certified mail return receipt requested, addressed to the mailing address provided on the candidate's Ballot Designation Worksheet.

E.C. §13107(f)

The Candidate shall, within 3 business days from the date the candidate receives notice by phone, or by registered or certified mail, or from the date the candidate receives actual notice of the violation, whichever occurs first, the candidate must come into the County Elections office and provide a designation that is acceptable.

E.C. §13107(f)(1)

Note: If the candidate fails to provide a new designation within this three-day period, a designation shall not appear after the candidate's name.

E.C. §13107(f)(2)

No ballot designation can be changed after the final date of filing unless specifically requested by the Elections Official.

E.C. §13107(g)(2)

GENERAL GUIDELINES FOR ACCEPTABLE BALLOT DESIGNATIONS

There are general guidelines specified by law regarding what can be used as a ballot designation.

1. The Use of an Elected Office

Words designating the elective city, county, district, state or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by vote of the people.

NOTE: There shall be no word count limitation applicable to ballot designations submitted for an applicable title of an Elected Office. Excessively long ballot designations may require reduced font size to be printed on the ballot card.

2. Use of the Word “Incumbent”

A candidate may use the word “Incumbent” if they are a candidate for the same office which he or she holds at the time of filing the nomination documents to which he or she was elected by vote of the people, or in case of a superior court judge, was appointed to the office.

NOTE: Proposed ballot designations such as “Incumbent” indicating that the candidate is a member of the state or county central committee of a political party, or an officer of a state or county central committee of a political party, are improper, as such positions do not constitute elective county or state offices.

C.C.R. §20712(e)

3. Three Word Limit

No more than three words designating either the current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered one word.

The following rules shall govern the application of the three-word limitation:

- ❖ The proposed ballot designation shall be grammatically correct, generic, and all words must be spelled correctly.
- ❖ Punctuation shall be limited to the use of:
 - A comma – A comma is followed by a modifier of the word prior.
Example: District Attorney, Los Angeles County
 - A slash – A slash is used to separate multiple distinct designations
Example: Legislator/Rancher/Physician
 - A hyphen – A hyphen may be used if, and only if, the use of a hyphen is called for in the spelling of a word as it appears in a standard reference dictionary of the English language.
Examples of acceptable hyphenated words: x-ray, hi-tech
- ❖ Using “Councilmember” (one word) vs. “Council Member” (two words) will depend on how the word is used by the governing body of the office for which the candidate is seeking election.
- ❖ All California geographical names shall be considered one word and shall be limited to the names of cities, counties and states. The names of special districts and political subdivisions are not “geographical names”. If the candidate desires, the geographical name may be used in the form of “City of....,” “County of,” or “City and County of
- ❖ Examples of geographical names considered to be one word include:
 - Fresno County
 - City of Clovis
 - County of Fresno

- ❖ Examples of designations containing a special district or political subdivision that are not geographical names include:
 - Butte County Rural Fire District Captain
 - Huntington Beach Unified School District Member
 - South Bay Irrigation District Director
- ❖ An acronym shall be counted as one word.
- ❖ A candidate who chooses to include the name of his or her elective office with another profession, vocation, or occupation may do so, but the total ballot designation shall be limited to no more than three words.

Examples of acceptable designations under this section include:

- State Senator/Rancher
- California Assemblywoman/Attorney
- County Supervisor/Teacher

Examples of unacceptable designations under this section include:

- Assemblyman, 57th District/Educator
- California State Senator/Architect
- Fresno County Supervisor/Business Owner

4. The Phrase “Appointed Incumbent”

The phrase “appointed” must be used if the candidate:

- ❖ Wishes to use the word “incumbent” and they hold an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to that same office.
- ❖ Or, if the candidate is a candidate for election to the same office or to some other office, the word “appointed” and the title of the office.

In either instance, the candidate may not use the unmodified word “incumbent” or any words designating the office unmodified by the word “appointed.” However, the word “appointed incumbent” shall not be required of a candidate who seeks reelection to an office which he or she was appointed, as a nominated candidate, in lieu of an election.

Ballot Designation of “Community Volunteer”

A candidate’s ballot designation as “community volunteer” means a person who engages in an activity or performs a service for or on behalf of, without profiting monetarily, one or more of the following:

- A charitable, educational, or religious organization as defined by the U.S. IRS Code section 501 (c)(3);
- A governmental agency; or
- An educational institution.

The activity or service must constitute substantial involvement of the candidate’s time and effort such that the activity or service is the sole principal profession, vocation or occupation of the candidate.

GENERAL DEFINITIONS

Incumbent

The term “incumbent” must be used as a noun. It shall not be used in conjunction with any other words, including any accompanying adjective or modifiers, and must stand alone except when using “Appointed Incumbent”.

Profession

This means a field of employment requiring special education or skill and requiring knowledge of a particular discipline. The labor and skill involved in a profession is predominantly mental or intellectual, rather than physical or manual. Recognized professions generally include, but are not limited to, law, medicine, education, engineering, accounting, and journalism.

- | | |
|--------------|-------------|
| ❖ Attorney | ❖ Architect |

In the event the candidate does not have a current principal profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate may use a ballot designation consisting of one which the candidate was principally engaged in during the calendar year immediately

preceding the filing of the candidate's nomination papers. The term “principal” precludes any activity which does not entail a significant involvement on the part of the candidate. Involvement, which is only nominal in character, does not meet the requirements of the statute.

If a candidate is licensed by the State of California to engage in a profession, vocation or occupation, the candidate is entitled to consider it one of his or her “principal” professions, vocations or occupations if the candidate has maintained his or her license current as of the date, and the status of the candidate’s license is active at the time he or she filed his or her nomination documents.

GENERAL GUIDELINES FOR UNACCEPTABLE BALLOT DESIGNATIONS

The following types of activities are distinguished from professions, vocations and occupations and are not acceptable as ballot designations:

A word or prefix, such as “former” or “ex” which means a prior status is not allowed.

The only exception is the use of the word “retired.” However, the use of the word “retired” in a ballot designation is generally limited for use by individuals who have permanently given up their chosen principal profession, vocation or occupation.

C.C.R. §20716

CANDIDATE STATEMENT OF QUALIFICATIONS

A Candidate Statement is information, provided by the candidate, concerning his or her education and qualifications. This is optional for the candidate. If provided, it will be printed in the Voter's Pamphlet section of the Fresno County Voter Information Guide. If a candidate chooses not to file a statement, they must sign a declaration stating this.

Any candidate for local nonpartisan office may submit a Candidate Statement to be printed in the Voter's Pamphlet portion of the Fresno County Voter Information Guide. U.S. Representative candidates and State Senate and Assembly legislative candidates who choose to keep their campaign spending under specific dollar limits may submit a Candidate Statement.

A Candidate Statement with payment is due at the time Nomination Signatures are filed. If no nomination signatures are required, it is due by the close of candidate filing.

GENERAL PROCEDURE

If a candidate wishes to submit a candidate statement, they must adhere to the following procedure:

1. **Provide an electronic copy of the statement to the County Clerk/Registrar of Voters**

A candidate statement must be provided electronically by the candidate to our office prior to the candidate filing their Nomination Signatures. This should be done by EMAIL, sending the document to clerk-elections@fresnocountyca.gov. The candidate statement should be in Microsoft WORD format. Hand written statements or hand written edits to statements will not be accepted.

2. **Counting Words**

Once the candidate is in the office and ready to file the candidate statement, the County Clerk/Registrar of Voters will print out a copy of the document received. They will then perform a word count (see the "Word Count" section in the guide). If the word count is above the maximum allowed, the statement will not be accepted as filed. The maximum allowed for U.S. Representative candidates and State Office candidates who choose to keep their campaign spending under a specified limit, is 250 words. All other candidates have a limit of 200 words.

E.C. §§13307(a), 13307.5, G.C. §85601

3. Pay the Cost Estimate

If the candidate statement submitted is below or meets the maximum word count, the candidate must pay the cost estimate at the time the candidate statement is submitted. The check should be made out to Fresno County Clerk.

Candidate statements are printed at the expense of the candidate. Candidates are required to prepay the estimated cost and will either be billed for the additional cost or refunded any overpayment after the election when actual costs are known. In the event of underpayment, candidates may be required to pay the balance of the cost incurred by the County, billed after the election. In the event of overpayment, Fresno County shall prorate the excess amount among the candidates for each race and refund the excess amount paid within 30 days of the election.

Estimated costs for candidate statements are based on the total costs of printing, handling, translating, and mailing the candidate statement, including costs incurred as a result of complying with the Federal Voting Rights Act of 1965. Fresno County is required to print all candidate statements in English and Spanish. Each candidate filing a statement is required to pay their pro rata share as a condition of having the statement included in the County Voter Information Guide.

4. Sign Declaration and File the Candidate Statement

Once the estimated cost is paid, the Elections Official will accept the statement for filing. When filing, the candidate must sign a declaration declaring that the information contained therein is true and correct.

Statements shall be filed with the county elections official when nomination papers are returned for filing, or in the case of an election for which nomination papers are not required, no later than the 88th day prior to the election.

Candidates are responsible for proofreading their own statement. The statement will be printed exactly as provided electronically. This office will not correct any misspellings or errors in grammar or punctuation. After filing by the deadline, the statement can be withdrawn, but not changed. The last day to withdraw a candidate statement is the first business day after the close of filing.

GENERAL FORMAT

Statements will be printed in uniform type, style and spacing. Paragraphs should be indented and single-spaced, with no line spacing between paragraphs. NOTE: The County Clerk/Registrar of Voters may need to make adjustments to the candidate statement for space requirements in the county voter information guide. The statement may include the candidate's age, occupation, and a brief description of the candidate's education and qualifications.

Header

In the header of the statement a candidate must state their name, and optionally may place their age and occupation. This is not included in the word count. Occupation is not restricted by ballot designation limitations; however, the occupation may not exceed 7 words in length.

Description of Education, Qualifications, and Personal Background

The body of the candidate statement is a description of the candidate's education, personal background and qualifications. This section is limited by the word count (see below).

Statements must be written in the first person. For example:

- "I am running..."
- "I went to....."
- "I believe...."

The statement cannot be written in 3rd person, quote other persons, and shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities. For example:

- "She is running..."
- "Jane Doe is running..."
- "My opponent is....."

CITY COUNCIL DISTRICT

Candidate's Name
Occupation: Businesswoman*

Age: 32*

Education and Qualifications: I can bring to the office a diversity of viewpoints and experience. Born and raised in the Fresno area with my family still farming, I can appreciate the concerns of the environmentalist. On the other hand, having been in business since my undergraduate days at college and with my experience in the rental and real estate fields, I appreciate the housing requirements of our community. As a recent student, I understand their needs for a variety of housing choices and their frustration with high rental costs. I tend towards moderation and a real balancing of the competing segments of the community. I encourage differing viewpoints rather than the them and us concept.

I advocate a program to protect our neighborhoods from increasing overcrowding and visual blight. I support a shopping center in the city and would insist on a plan to encourage the commercial enterprises that complement our shopping needs. Our council should actively consider subsidized housing for senior citizens and perhaps others, but with implementation only after voter approval of a specific program.

PROVISIONS OF THE CODE OF FAIR CAMPAIGN PRACTICES

As found in Chapter 5 of Division 20 of the California Elections Code

ARTICLE 1. General Intent

20400. The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

ARTICLE 2. Definitions

20420. As used in this chapter, “Code” means the Code of Fair Campaign Practices.

ARTICLE 3. Code of Fair Campaign Practices

20440. At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.

In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

The text of the code shall read, as follows:

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.

FAIR POLITICAL PRACTICES COMMISSION AB 571 FACT SHEET

CONTRIBUTION LIMITS: CITY AND COUNTY CANDIDATES¹

INTRODUCTION

Pursuant to Assembly Bill 571 (Stats. 2019, Ch. 556, AB 571 Mullin), beginning January 1, 2021 a state campaign contribution limit will by default apply to city and county candidates when the city or county has not already enacted a contribution limit on such candidates. Along with the new campaign contribution limit, there are also other related provisions that formerly applied only to state level candidates that will now apply to city and county candidates. Please note that none of the provisions of AB 571 discussed in this fact sheet apply to candidates in cities or counties for which the city or county has enacted campaign contribution limits.

CURRENT STATE CONTRIBUTION LIMIT

The contribution limit that will now apply to city and county candidates pursuant to AB 571 is updated biennially for inflation. Contribution limits can be found in Regulation 18545(a)² and on the FPPC website's FPPC Regulations page. The default limit for contributions to city and county candidates subject to AB 571 for 2021-2022 is set at \$4,900 per election.

OTHER PROVISIONS AFFECTING CITY AND COUNTY CANDIDATES

Several other provisions will now apply to city and county candidates in jurisdictions that have not enacted campaign contribution limits, including the following:

- A candidate may not make a contribution over the AB 571 limit to another candidate in jurisdictions subject to the AB 571 limit with limited exceptions related to recall elections, legal defense funds and candidate controlled ballot measure committees. (See Regulation 18535 for more information.)
- A candidate that has qualified as a committee must establish a separate controlled committee and campaign bank account for each specific office. Candidates may not redesignate a committee for one election for another election.
- Candidates may transfer non-surplus campaign funds from one candidate controlled committee.

to another committee controlled by the same candidate for a **different** office if the committee receiving the transfer is for an elective state, county or city office. However, contributions transferred must be attributed and transferred using the “last in, first out” or “first in, first out” accounting method and shall not exceed the applicable contribution limit per contributor. If a candidate is seeking to transfer campaign funds from one controlled committee to another for the same office a candidate may carry over non-surplus campaign funds raised in connection with one election to pay for campaign expenditures incurred in connection with a subsequent election for the same office without attributing or using the “last in, first out” or “first in, first out” accounting method. (See Regulation 18536 for more information on the transfer and attribution of contributions and See Regulation 18537.1 for more information on carryover of contributions.)¹

- Candidates may not personally loan to a candidate’s campaign an amount for which the outstanding balance exceeds \$100,000. “Campaign” includes both the primary and general, or special and special runoff, elections. However, a candidate may loan each committee for a different office or term of office up to \$100,000. A candidate may not charge interest on any such loan the candidate made to the candidate’s campaign. (See Regulation 18530.8 for more information.)
- Candidates may establish a committee to oppose the qualification of a recall measure and the recall election when the candidate receives a notice of intent to recall. Campaign funds raised to oppose the qualification of a recall measure and/or the recall election would not be subject to any campaign contribution limit under the Act. (See Regulation 18531.5 for more information.)
- A candidate for local office may open a candidate-controlled general purpose ballot measure committee to oppose or support a measure being voted on. The committee must identify on its campaign statements and reports each measure for which an expenditure of \$100 or more is made. (See Regulations 18421.8 and 18521.5 for more information.)

The regulations of the Fair Political Practices Commission are contained in Sections 18110 through 18997 of Title 2 of the California Code of Regulations. All regulatory references are to Title 2, Division 6 of the California Code of Regulations, unless otherwise indicated.¹

- Contributions after the date of the election may be accepted to the extent contributions do not exceed net debts outstanding from the election, and contributions do not otherwise exceed applicable contribution limits for that election. (See Regulation 18531.64 for more information.)
- Candidates are permitted to raise contributions for a general election before the primary election and may establish separate campaign contribution accounts for the primary and general so long as candidates set aside contributions and use them for the general or special general election as raised. If the candidate is defeated in the primary election or otherwise withdraws from the general election, the general election funds must be refunded to contributors on a pro rata basis less any expenses associated with the raising and administration of the general election contributions. (See Regulation 18531.2 for more information.)
- Candidates that are currently in office that are running for reelection to the same seat in an election after January 1, 2021 may carry over campaign funds without attribution as mentioned above. Candidates running for a different office also do not need to do LIFO FIFO or attribution for the election immediately subsequent to the election prior to 2021 for which the money was raised.
- Candidates must disclose cumulative totals of contributions received or made for each election on campaign statements. (See Regulation 18421.4 for more information.)

FAQs

A. If a city or county does not currently have contribution limits set within their ordinance would the state contribution limit be the default?

Yes. The state contribution limit stated above would be the default contribution limit if the city or county ordinance is silent on whether there are contribution limits within that jurisdiction or if there is no city or county ordinance in place.

B. Is there a way for a city or county to adopt “no” contribution limits for city or county elective city and county offices?

Yes. A city or county may elect to have “no” contribution limits. To do so, it must explicitly state in the city or county ordinance that there are no limits on contributions. If it is explicit that the city or county has implemented “no” contribution limits, the state contribution limit will not apply as a default for that jurisdiction.

C. Can a city or county ordinance be less restrictive than the AB 571 limit (e.g., the city or county limit is set higher than the state limit)?

Yes. A city or county can set contribution limits higher than the default state limit.

D. If a city or county imposes contribution limits, is the Commission responsible for enforcing those limits?

No. The Commission will not regulate the administration or enforcement of the penalties. Cities or counties with existing limits or that adopt their own limits are not subject to the state limit and may impose their own penalties for violations.

E. If a city or county has voluntary contribution limits, but no mandatory contribution limits will the state limit be applicable?

Yes. A city or county must enact mandatory contribution limits to avoid the state limit applying to elective city and county offices.

F. Does the default contribution limit also include judicial candidates?

No. Elective city and county offices do not include judicial offices.

G. If a city or county has imposed contribution limits for particular city or county offices (e.g., Board of Supervisors), do those limits also apply to other positions such as the District Attorney or would the default state limit apply if a particular position is not specifically addressed by the city or county?

The default state limit would apply to other positions for which the city or county has not set contribution limits. A city or county ordinance must explicitly state the city or county contribution limits and for which elective offices those limits will apply. A city or county may adopt a general provision implementing a contribution limit for all elective city and county offices in that jurisdiction. As noted above, a city or county may also adopt an ordinance that states the city or county is adopting no contribution limits for any offices to avoid the default state limit applying.

H. Does AB 571 apply to special district or school district elections?

No. AB 571 applies only to city and county elections for offices that a city or county has not implemented its own contribution limit.

I. Can candidates that are subject to the AB 571 contribution limit open an officeholder committee?

No. Officeholder committees are not permitted for candidates subject to the AB 571 contribution limit. However, a candidate may use a committee for the officeholder's future election for officeholder expenses. A candidate may also use existing funds in the election committee for current office for officeholder expenses.

J. Does the AB 571 contribution limit apply to debt retirement for the 2020 election?

No. For purposes of retiring debt, the contribution limit is the one that was applicable to that election. The Act did not impose a contribution limit on city and county candidates in 2020.

K. If a contribution was received for an election occurring after January 1, 2021, PRIOR to January 1, 2021, does this contribution count towards the new AB 571 contribution limit after January 1, 2021?

No. The Commission adopted a formal opinion on April 15, 2021 that states contributions made prior to the effective date of AB 571 are not aggregated with contributions made on or after the effective date of AB 571 for purposes of the new contribution limit. Therefore, if someone contributed up to or above the current limit to an AB 571 committee prior to January 1, 2021 the same person can give additional contributions to the same committee up to the AB 571 contribution limit on or after January 1, 2021.

L. If a contributor gave \$10,000 in 2020 (prior to the AB 571 limit going into effect) to a committee for a 2022 primary election, what happens?

The AB 571 contribution limit does not apply to contributions made prior to January 1, 2021 so a contribution of this amount is permissible.

M. Does the AB 571 contribution limit apply to political party committees and small contributor committees making contributions to candidates subject to the AB 571 limit?

Yes. Political parties and small contributor committees are only permitted to give contributions to candidates subject to the AB 571 in amounts up to the applicable AB 571 contribution limit for that candidate.

N. Does the AB 571 limit apply to county central committee candidates?

No. AB 571 imposes a contribution limit on city and county elective offices when a local jurisdiction has not already done so. Local jurisdictions are prohibited from placing contribution limits on county central committee candidates; therefore, AB 571 is not applicable to those offices.

O. If an election was held in November 2020, but resulted in the need for a run-off election to be held in February 2021, how would the contributions be treated under AB 571?

The run-off election is considered a new election. If a contributor gave any amount to an AB 571 candidate for the November 2020 election, the same contributor would still be permitted to contribute up to \$4,900 (the AB 571 limit) to the same candidate for the February 2021 run-off election.

P. An AB 571 candidate for city council would like to send out a request for contributions to their constituents. Do they need to include anything specific in the request?

Yes. A candidate that is subject to AB 571 must have the following information in the solicitation: the name of the controlled committee soliciting contributions, and the specific office for which those contributions will be used.

Q. If an AB 571 candidate is the subject of a recall, is their committee to oppose the recall subject to contribution limits?

No. There are no contribution limits for a committee controlled by a candidate that is the subject of a recall that is formed to oppose the recall.

R. An AB 571 candidate has debts for an election held after January 1, 2021, may the candidate terminate their committee?

No. If a candidate-controlled committee has outstanding debts for an election held after January 1, 2021, they may not terminate without resolving or paying off the debt. When the committee has no net debts outstanding, the committee must be terminated within 24 months after the earliest of the date the candidate is defeated, leaves office, or the term of office for which the committee was formed ends, or, for withdrawn candidates no later than 24 months after the election from which the candidate withdrew. Please see Regulation 18404.1 for more on termination requirements for committees subject to AB 571.

S. If a local jurisdiction, which is subject to AB 571, passes a local campaign contribution ordinance, are the candidates still subject to AB 571?

No. They would no longer be subject to AB 571.

CAMPAIGN DISCLOSURE REQUIREMENTS

The Political Reform Act of 1974 requires all candidates for state and local elective office, all state and local elected officeholders, proponents of state and local ballot measures who control a ballot measure committee, and committees supporting or opposing state and local candidates, and all measure and petition circulation committees, to file campaign disclosure statements disclosing contributions received and expenditures made.

It is the responsibility of the candidate and or committee to be aware of and to file the required campaign disclosure statements in a correct and timely manner. Any campaign statement may be amended by a filer at any time. There are no penalties for filing an amendment. Amending an incorrect or incomplete statement may be considered as evidence of good faith in any enforcement action. ***Government Code §91013 provides for a late filing fine of \$10 per day with a maximum of \$100 for the late filing of any campaign disclosure statements after the deadline until the statement or report is filed.***

Campaign Contribution Limits (Fresno County Ordinance 2.62)

On August 18, 2020, the Fresno County Board of Supervisors adopted a **new campaign ordinance** to set campaign contribution limits for county elected offices pursuant to Election Code §10003 and California Government Code §85702.5. The ordinance states that “no person shall contribute an amount greater than thirty thousand dollars (\$30,000) to any candidate for any county of Fresno elective office per election.” “Person” as used in this section shall mean an individual, proprietorship, firm, partnership, joint venture, syndicate, business trust, company, corporation, limited liability company, association, committee, labor union or organization, and any other organization or group of persons acting in concert. “Election” means any primary, general, special or recall election held in this state. The primary and general or special elections are separate elections for purposes of this section.

Electronic Filing of Campaign Disclosure Statements (Fresno County Ordinance 2.62.037)

On January 31, 2017, Fresno County Board of Supervisors adopted an ordinance approving the electronic filing of campaign disclosure statements. Elected officers, candidates, committees and controlled committees required to file campaign statements with the County pursuant to state law who have received contributions or made expenditures of \$5,000 or more in a calendar year shall file their campaign statements using the Registrar of Voter’s online filing system. All other filers may elect to file their campaign statements electronically or in paper format. For further information contact your local filing officer at (559) 600-3044 or (559) 600-8683.

Reporting of Monetary Contributions of \$25 or More

Except where the Political Reform Act of 1974 requires the reporting of more detail, campaign statements shall include the full name of each person from whom a monetary contribution of twenty-five dollars (\$25) or more has been received, together with the contributor's street address, the amount contributed, the date on which each contribution was received during the period covered by the campaign statement, and the cumulative amount such person has contributed. For purposes of this section, the term "monetary contributions" includes all contributions other than in-kind contributions.

CAMPAIGN DISCLOSURE REQUIREMENTS OFTEN OVERLOOKED

BE INFORMED: The Franchise Tax Board is authorized under Section 90001 of the California Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures.

The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. The laws passed to enforce that purpose can be challenging for the unwary, therefore some often overlooked requirements are highlighted here:

- All candidates, even unopposed candidates, are subject to the campaign disclosure provisions of the Political Reform Act. (Gov. Code §82007)
- Prior to soliciting or receiving any contribution (including a loan), all elected officeholders and all candidates must file Form 501 (candidate intention).
- Contributions include **PERSONAL FUNDS** and are subject to the same disclosure requirements.
- A Statement of Organization (Form 410) must be filed within 10 days by any person who receives contributions totaling \$2,000 or more.
- Officeholders and candidates who receive contributions or make expenditures must establish a campaign checking account in California.
- Loans to a candidate are considered contributions unless the loan is from a financial institution.
- Never accept or spend \$100 or more in cash.
- For contributions of \$100 or more, including loans, you must disclose the contributor's name, address, occupation, and employer. (Gov. Code §84300)
- Maintain details on contributions and expenditures of \$25 or more, even if you are spending less than \$2,000.
- Make copies of all contributor checks.
- Itemize expenditures of \$500 or more made by an agent or campaign consultant.
- Include your name and campaign address in at least 6-point type on the outside of all mass mailings (more than 200 pieces). Your committee's name may be used if it includes your name. If your name is not part of the committee's name, you may use just your name, or both your name and the name of the committee.
- Candidates must disclose employer information for all contributors and keep all records of occupation and employer information.
-

- **NO PERSONAL USE OF CAMPAIGN FUNDS.** Use campaign funds only for political, legislative, or governmental purposes.
- The source for each loan must be disclosed.
- All expenditures of \$100 or more must be itemized on the campaign statements, and then summarized on the Campaign Disclosure Statement Summary Page.
- As long as a committee is in existence, a Semi-Annual Campaign Statement must be filed. If the candidate has filed a long form (460) previously in the calendar year, a 460 must be filed as the Semi-Annual Statement even if there is no activity.
- Payee addresses must be disclosed on the campaign statements for expenditures made.
- If the committee changes its treasurer, an amendment to the Form 410 Statement of Organization must be filed within 10 days.
- If \$1,000 or more is received from one contributor during the last 90 days before the election, disclose receipt within 24 hours, even if the contribution is from your **personal funds**.

MASS MAILING

“Mass mailing” means over two hundred substantially similar pieces of mail, but does not include a form letter or other mail which is sent in response to an unsolicited request, letter or other inquiry.

G.C. §82041.5

NOTE: If you are planning any type of mass mailing, please contact the post office in advance for specific postal regulations.

MASS MAILING REQUIREMENTS

A post office box may be stated in lieu of a street address if the candidate's, candidate controlled committee established for an elective office for the controlling candidate's, or political party committee's address is a matter of public record with the Secretary of State.

(2) Except as provided in subdivision (b), a committee, other than a candidate controlled committee established for an elective office for the controlling candidate or a political party committee, shall not send a mass mailing that is not required to include a disclosure pursuant to Section 84504.2 unless the name, street address, and city of the committee is shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of mail of the mailing in no less than 6-point type that is in a color or print that contrasts with the background so as to be easily legible. A post office box may be stated in lieu of a street address if the committee's address is a matter of public record with the Secretary of State.

(c) (1) A candidate, candidate controlled committee established for an elective office for the controlling candidate, or political party committee shall not send a mass electronic mailing unless the name of the candidate or committee is shown in the electronic mailing preceded by the words

“Paid for by” in at least the same size font as a majority of the text in the electronic mailing.

(2) A committee, other than a candidate controlled committee established for an elective office for the controlling candidate or a political party committee, shall not send a mass electronic mailing that is not required to include a disclosure pursuant to Section 84502 or 84504.3 unless the name of the committee is shown in the electronic mailing preceded by the words “Paid for by” in at least the same size font as a majority of the text in the electronic mailing.

(d) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required by subdivision (a) or (c).

(e) For purposes of this section, the following terms have the following meanings:

(1) “Mass electronic mailing” means sending more than 200 substantially similar pieces of electronic mail within a calendar month. “Mass electronic mailing” does not include a communication that was solicited by the recipient, including, but not limited to, acknowledgments for contributions or information that the recipient communicated to the organization.

(2) “Sender” means the candidate, candidate controlled committee established for an elective office for the controlling candidate, or political party committee who pays for the largest portion of expenditures attributable to the designing, printing, and posting of the mailing which are reportable pursuant to Sections 84200 to 84216.5, inclusive.

(3) To “pay for” a share of the cost of a mass mailing means to make, to promise to make, or to incur an obligation to make, any payment: (A) to any person for the design, printing, postage, materials, or other costs of the mailing, including salaries, fees, or commissions, or (B) as a fee or other consideration for an endorsement or, in the case of a ballot measure, support or opposition, in the mailing.

(f) This section does not apply to a mass mailing or mass electronic mailing that is paid for by an independent expenditure.
